

Gemtek SHOWCASE AT 2018 COMPUTEX

Gemtek is excited to have this opportunity to see you in person with your visit to COMPUTEX TAIPEI during the period of June 5 2018 to June 9 2018. This year, we will showcase our full range LTE products, the latest IoT solution, and fixed line products. MAVIN and TAIWAN SECOM company will also show the newest cooperation IoT products in Gemtek Booth.

This exhibition will demonstrate our core product development value and possible future pathway. Looking forward to seeing you to enjoy the latest technology we are adopting and development.
