## **2020 Business Report**

(Translation)

### **I. Foreword**

2020 is a year full of challenges and opportunities. In an effort to combat the COVID-19 pandemic, many countries have rolled out extreme policies to allow time and breathing space for their nations to recover from this unprecedented turmoil. Restriction orders such as lockdowns and work-from-home policies are virtually the mainstream approaches for governments across the globe, which had spurred an increase in demands for network communication products that are designed to help people cope with the day-to-day. Being confronted by this new wave of technological revolution, Gemtek is audaciously up to the task with its flexible sales strategies and business tactics amid the rise of the new market.

Looking back at 2020, Gemtek has continuously strived to expand its domestic and overseas production capacity to meet the exponential growth of customer demands. Furthermore, Gemtek has also sought to broaden its market scope by exploring new business opportunities and introducing new products to the global market. Among the plethora of trending technologies in recent years, the development of 5G and WiFi, by and large, are taking off with groundbreaking speed. Nevertheless, Gemtek has always poised itself to meet the height of every challenge, delving into R&D in particular, and has its eyes set on becoming the trailblazer of the telecommunication industry. As an integral part of its business philosophy, Gemtek aims to provide the best solutions for its customers, and undoubtedly, has earned profound recognition from its worldwide business partners in return.

For the forthcoming year, Gemtek will continue to take on any challenges by embracing greater flexibility and prioritizing innovation in terms of business strategies and global deployment. In the midst of a pandemic crisis, Gemtek looks forward to identifying and seizing every business opportunity to expand and propel its operations to a whole different level.

**2020 Audit Committee's Review Report**  
(Translation)

To Shareholders of Gemtek Technology Co., Ltd.,

The Board of Directors is responsible for the issuance of the Company's 2020 Business Reports and Financial Statements.

The CPA firm of Deloitte & Touche was retained to audit Gemtek's Financial Statements and has issued an audit report with reference to the Financial Statements. The Business Report and Financial Statements have been reviewed and confirmed to be correct and accurate by the Audit Committee members of Gemtek Technology Co., Ltd. Based on the applicable laws of the Securities and Exchange Act and the Company Law, we hereby submit this report.

Gemtek Technology Co., Ltd.

Chairman of the Audit Committee: Zhu-san Wang

Date: March 25, 2021

# Auditor's Review Report

(Translation)

To Gemtek Technology Co., Ltd.,

## Opinion

We have audited the accompanying individual financial statements of Gemtek Technologies Co., Ltd. (the "Company"), which comprise the individual balance sheets as of December 31, 2020 and 2019, and the individual statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the individual financial statements, including a summary of significant accounting policies (collectively referred to as the "individual financial statements").

In our opinion, the accompanying individual financial statements present fairly, in all material respects, the individual financial position of the Company as of December 31, 2020 and 2019, and its individual financial performance and its individual cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

## Basis for Audit Opinions

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Individual Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the individual financial statements for the year ended December 31, 2020. These matters were addressed in the context of our audit of the individual financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We hereby summarize the Key Audit Matters of the 2020 Individual Financial Statements of the Company as follows:

## Revenue Recognition

The 2020 operating income of Gemtek Technology Co., Ltd. is NT\$16,484,007 thousand, in which NT\$4,278,268 thousand sales revenue is attributed to the sale of a major customer product, accounting for 26% of the operating income. Due to the fact that the sales revenue makes up a consequential part of the operating income in contrast to the year 2019, the operating income for the sale to the specific customer product is listed as a Key Audit Matter. For related accounting policies pertaining to revenue recognition, please refer to Note 4 and 21.

Main Audit Procedures conducted by the CPA are as follows:

1. Assess the quality of composition and implementation of the Company's Internal Control Policy that are related to sales income conjointly with the Company's Sales Revenue Recognition Policy.
2. Conduct inspections on selected materials acquired from income reports that are related to sales transactions and receivables, etc. to verify whether the origins of the operating income are documented truthfully.
3. Verify whether the customer has received any substantial sales return or discounts after the transaction.

### **Additional Matters:**

As of December 31, 2020, in relation to investee companies that have adopted the equity method for investments, due to the differences in the respective financial reporting structures, the audit engagement for the financial statements of Gemtek Vietnam Co., Ltd. was performed by a separate CPA firm other than us. The financial statements of Gemtek Vietnam Co., Ltd. was audited by a designated CPA in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers. Therefore, our opinion for the financial statements of Gemtek Vietnam Co., Ltd. derives from the audit report given by its designated CPA where the equity method had been applied to investments and recognized comprehensive income. The total amount of investments by investee companies that have adopted the equity method as of December 31, 2020 was NT\$514,927 thousand, accounting for 3% of the total assets of the individual. The recognized comprehensive income of investments by investee companies as of December 31, 2020 was NT\$53,960 thousand, accounting for 5% total comprehensive income of the individual.

## **Duties and Responsibilities of Management and Corporate Governance**

Management is responsible for the preparation and fair presentation of the individual financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of individual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the individual financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee and supervisors, are responsible for overseeing the Company's financial reporting process.

## **Auditors' Responsibilities for the Audit of the Individual Financial Statements**

Our objectives are to obtain reasonable assurance about whether the individual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these individual financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the individual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists

related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the individual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the individual financial statements, including the disclosures, and whether the individual financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Company to express an opinion on the individual financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the individual financial statements for the year ended December 31, 2020 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# **Auditor's Review Report**

(Translation)

To Gemtek Technology Co., Ltd.,

## **Opinion**

We have audited the accompanying consolidated financial statements of Gemtek Technologies Co., Ltd. and its subsidiaries (collectively referred to as the “Group”), which comprise the consolidated balance sheets as of December 31, 2020 and 2019, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies (collectively referred to as the “consolidated financial statements”).

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2020 and 2019, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

## **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Group's consolidated financial statements for the year ended December 31, 2020. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We hereby summarize the Key Audit Matters of the 2020 Consolidated Financial Statements of the Group as follows:

### Revenue Recognition

The 2020 operating income of Gemtek Technology Co., Ltd. and its subsidiaries is NT\$19,929,372 thousand, in which NT\$4,278,475 thousand sales revenue is attributed to the sale of a major customer product, accounting for 21% of the operating income. Due to the fact that the sales revenue makes up a consequential part of the operating income in contrast to the year 2019, the operating income for the sale to the specific customer product is listed as a Key Audit Matter. For related accounting policies pertaining to revenue recognition, please refer to Note 4 and 22.

Main Audit Procedures conducted by the CPA are as follows:

1. Assess the quality of composition and implementation of the Company's Internal Control Policy that are related to sales income conjointly with the Company's Sales Revenue Recognition Policy.
2. Conduct inspections on selected materials acquired from income reports that are related to sales transactions and receivables, etc. to verify whether the origins of the operating income are documented truthfully.
3. Verify whether the customer has received any substantial sales return or discounts after the transaction.

### **Additional Matters:**

The financial statements of Gemtek Vietnam Co., Ltd. has been incorporated in the consolidated financial statements of Gemtek Technologies Co., Ltd. and its subsidiaries. Due to the differences in the respective financial reporting structures, the audit engagement for the financial statements of Gemtek Vietnam Co., Ltd. was performed by a separate CPA firm other than us.

The financial statements of Gemtek Vietnam Co., Ltd. was audited by the appointed CPA in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China. Therefore, when issuing our opinions for the consolidated financial statements, the opinions for the financial statements of Gemtek Vietnam Co., Ltd. is based on the audit report given by the appointed CPA. The total asset of Gemtek Vietnam Co., Ltd. as of December 31, 2020 was NT\$2,232,563 thousand, accounting for 12% of the total consolidated assets. The net operating income from January 1 to December 31, 2020 was NT\$70 thousand, accounting for 0% of consolidated net operating income.

We have audited the individual financial statements of Gemtek Technologies Co., Ltd. as of and for the years December 31, 2020 and 2019 on which we have issued an unmodified opinion.

### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee and supervisors, are responsible for overseeing the Group's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated

financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2020 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
